

Sales Information for 1991/2005 Rhodes 22

Mike Doremus, July 2022

Overall Boat/Trailer/Motor Description

1991 Rhodes 22 reconditioned in 2005 by General Boats (GB). Fully equipped and ready to sail condition. One family ownership since 2005. HIN GBX2210A291. The "About the Rhodes 22" page on The Rhodes 22 Owner's Group site (<http://www.rhodes22.org/rhodes-22.html>) provides a great overview of the boat design and features, and also is a link to the wonderful and dedicated community of Rhodes 22 owners. The boat is on a mooring in Greenwich Bay (off Narragansett Bay) in Rhode Island and just waiting for your test sail.

1996 Triad Trailer, single axle, galvanized, extendable tongue, brake-less. Very good condition and ready to take the boat to its new home.

2005 Yamaha 9.9 HP outboard, T9.9ELHB-6G8L-1000814, electric start 4 stroke, high thrust, controls on tiller (new control lines 2019), electric motor lift. Runs great.

Price

\$12,000

Sales Information for 1991/2005 Rhodes 22
